

Summer School Age Programming 2026

Activity list from educators.

Bingo with Elders & Seniors - visit a Senior Center.

Cultural teachings - What is our nation? Learn about other nations. What are Treaties?

Create an area for drumming, singing, or teaching pow wow dancing.
Invite community members.

Language - use at every opportunity - the more it is spoken,
the more children will become fluent. (includes staff)

Tour a local garden or Farmers Market - fruit and/or vegetable.
Bring back produce to make a hearty stew.

Visit to a local Community Health Centre - staff have a wealth of information on
a variety of topics, i.e., healthy eating, safety, etc.

Ice Cream Station - create delicious sundaes or cones with children.

Puppet Shows - invite a puppeteer or invite children to produce a puppet show.
Make your own puppets.

Visit your local library - sign up for programming - story time with crafts or check out story books.
Invite children to author a book as a group or individually.

Tour a farm - animals and/or produce. Take photos and document the visit.

Cooking with Children - introduce themes - Tasty Tuesdays, Meatless Mondays, Build a Sandwich,
Bannock Scones, Wild Rice Fruit Casserole, etc. Talk about nutrition.

Visit a local Fish Hatchery - many provide fish for sport fishing in lakes and rivers.

Wilderness or outdoor play space - materials to build shelters: tarps, sticks, rope.
Build a wigwam.

Field Day - create teams and make stations with games out on the field: relay races,
obstacle courses, water challenges, etc.

Invite a canoe maker or snowshoe maker to come in and set up a workstation
so children can follow the process.

Have a great summer with your group!
